**Goodman Theatre**  
**November 18 – December 31, 2011**

Goodman Theatre's *A Christmas Carol* has delighted Chicago audiences since the very first production over thirty years ago when the *Chicago Tribune* raved: "magic took over the show."

Charles Dickens' classic story, the exceptional actors and the miraculous stagecraft have made *A Christmas Carol* a beloved Chicago tradition. Every year, audiences look forward to the "Bah Humbugs," the arrival of the ghosts, the music and dancing and Scrooge's joyful discovery of life and love.

**Ann: An Affectionate Portrait of Ann Richards**  
**Bank of America Theatre**  
**November 13 – December 4, 2011**

ANN: AN AFFECTIONATE PORTRAIT OF ANN RICHARDS is a play with Emmy® Award-winning stage and screen actress Holland Taylor. A hilarious and inspiring evening of theater celebrating a beloved daughter of Texas, Taylor hopes ANN will "bring a magical touch to the past and the present, swirling them together as only the theatre can do, and leaving the audience with an enhanced sense not only of a person and a time, but of themselves."

**Memphis**  
**Cadillac Palace Theatre**  
**November 22, 2011 – December 4, 2011**

TURN UP THAT DIAL...From the underground dance clubs of 1950s Memphis, Tennessee, comes a hot new Broadway musical that bursts off the stage with explosive dancing, irresistible songs and a thrilling tale of fame and forbidden love. Inspired by actual events, MEMPHIS is about a white radio DJ who wants to change the world and a black club singer who is ready for her big break. Come along on their incredible journey to the ends of the airwaves -- filled with laughter, soaring emotion and roof-raising rock 'n' roll.

Winner of four 2010 Tony Awards including Best Musical, MEMPHIS features a Tony-winning book by Joe DiPietro (I Love You, You're Perfect, Now Change) and a Tony-winning original score with music by Bon Jovi founding member David Bryan. Directing is Tony nominee Christopher Ashley (Xanadu), and choreography is by Sergio Trujillo (Jersey Boys).
